\$1,000 Sierra Grant Awarded to Newspaper Education Program

Porterville, CA —Bank of the Sierra is pleased to award a \$1,000 Sierra Grant to the Newspapers in Education (NIE) program. Through a partnership with the Porterville Recorder, NIE provides newspapers to 199 classrooms and educational sites throughout the year. The Recorder is used as part of the curriculum to promote life long learning. Funding will help provide more than 142,000 newspapers annually in the classroom. This program strives to provide possibilities and ideas to students who may not have had the opportunity before.

“At Bank of the Sierra, we are happy to help enrich the futures of the youth in our community through a grant awarded to the Newspapers in Education program,” stated James C. Holly, President and CEO of Bank of the Sierra. “We also commend the Porterville Recorder for the steps it has taken to support our youth through this program,” Holly added.
