**\$1,000 Sierra Grant Awarded to
The Trauma Intervention Programs Foothill Mountain**

Porterville, CA — Bank of the Sierra is pleased to announce a \$1,000 Sierra Grant awarded to the Trauma Intervention Programs (TIP) Foothill Mountain. TIP responds to traumatic events on-site, providing emotional support and assistance to victims of tragedies. This support complements emergency services and continues through the first few hours after an event. TIP volunteers guide people involved through the necessary steps that must take place after emergencies such as notifying family and friends, or arranging follow-up services.

“When disasters strike, the Trauma Intervention Programs Foothill Mountain is there to help provide emotional support to those in need. We are happy to provide an enthusiastic support of their efforts.” stated Jim Holly, President and CEO of Bank of the Sierra.

About The Sierra Grant Program

The Sierra Grant Program is designed to improve the quality of life for the families, especially the children, who reflect the diversity within Bank of the Sierra branch communities. The Sierra Grant Program is focused on three areas: community services, park preservation, and education. Anyone involved in a non-profit program that is interested in a Sierra Grant can pick up an instructional brochure at any Bank of the Sierra branch, or visit the bank web site at www.bankofthesierra.com.
